

“GREAT START!”
Transitioning to a New School

Transitioning to a new school can be challenging and stressful for parents and students. If your student is beginning intermediate, junior or high school, this series of workshops will help you develop strategies to get your student off to a GREAT START!

Session 1: “Preparation is the Key” for parents only. Topics will include changing classes, lockers, dressing out for physical education, hallways, organization and homework.

Session 2: “Progress Report” for parents only. This is an opportunity to review progress you have made, share success, problem-solve remaining concerns and refine your plan.

Session 3: “Ready or Not, Here It Comes!” for parents and students. This session allows you to review topics from Sessions 1 & 2, share successful strategies and lingering concerns, and fine-tune your plan.

Session 4: “So Far So Good?” for parents and students. You’ll evaluate the beginning of the year, celebrate successes, and address areas of concern.
